Preventing Child Sexual Abuse & Exploitation Across Rural Communities

Stop it Now! Wales is child sexual abuse prevention programme delivered by the Lucy Faithfull Foundation. We work to protect children and young people from sexual abuse and exploitation by working with parents and carers and multi-agency professionals as well as members of the public through awareness raising and education. We also offer a confidential helpline to all adults who have a concern about child sexual abuse on 0808 1000 900. We are delighted to announce that we have received a grant from the Dyfed Powys Police & Crime Commissioner's Community Fund and are able to offer the following sessions across **Dyfed Powys until 31st August 2018** for parents, carers and those working with children and young people.

Dyfed Powys Police & Crime Commissioner's Community Fund working in partnership with Stop it Now! Wales

Sessions are FREE of charge - suitable for Children's Centres, Family Centres, Youth Clubs, Nurseries, Schools, Parent Groups and any other settings which engage with children, young people and families. All sessions are tailored to meet your needs!

2-hour sessions available include:

- Family Online Safety – how to reduce the risk to children online
- Parents Protect! – including online safety: how to protect children in the home, the community and online
- Families Protect! – how families can implement family safety plans to ensure children are protected and adults can spot worrying signs in others who have contact with their children
- Professionals Protect! – sessions for those who work with children and families, so they can identify potential issues and take action, as well as give advice to the parents and carers they engage with.
- Sexting – how we can encourage responsible online behaviour among children and young people, and how to respond if there are concern.

To discuss your needs and book a session:

Please contact **Claire Short** on **07720 590129** or email **wales@stopitnow.org.uk**
